Use Case & Class Analysis

Contents

Purpose	2
1 TODO CLEAN CLASS DIAGRAM	3
2 TODO D3	4

Readability notes

Bold words are system-important constructs.

Underlined nouns are actors of the system.

Italic words are special keywords to denote important limits of the project.

[Hyperlinks](#) in reference to sections and subsections will be blue.

[Hyperlinks](#) to external web content will be in magenta.

Purpose

This document describes the use TODO

The purpose of this document is to:

- TODO

Chapter 1

TODO CLEAN CLASS DIAGRAM

Original, up-to-date file of D1 and D2 available at our [Github here](#) and [Github here](#) respectively

Chapter 2

TODO D3

jorking it
